GILES LOT OWNERS PARTICIPATION FEE

Dear lot owners

The annual water usage fee, assessed by Wayne County Water Conservancy District, is due by

November 30, 2026. Currently the annual fee is \$50.00 per share or acre foot of water times the 120 acres now under contract, around \$6000.00.

The annual participation fee is \$125.00 per lot for:

- Water piped to each lot
- Maintenance of pipe, drill, pump and pond
- Maintenance of roads and common areas
- Development of town hall

The fee is due November 1 every year. Please make check payable to Wild 'n Free Community at BV, addressed to PO Box 361, Kanab, UT 84741 or deposited to Cache Valley Bank, 105 S Main St, Loa, UT 84747. Routing number: 124302325, Account Number 63259096. Please put your name or lot/s number/s so we know who has paid.

Most lot owners have never paid their dues. Catch up payments would be appreciated. These funds are used for current and future improvements and most important – the annual water usage fee.

We now have the Giles Townsite Oversight Board set up legally. They are:

A meeting and open house are planned for Saturday October 24, 2026. We would like to have a meeting, with zoom connection for those unable to attend in person followed by potluck and music open house for those with musical talents. The meeting will be at 4 PM. Zoom number to follow.

Reminder: all lot owners are members with one vote per lot owned. Copy of the CC&R's are attached.

Please contact Kelly for more information.

Thanks

Kelly Taylor
